MR. GALLEGOS

In answer to your letter of Nov. 27; 2000.  
I am sending application fee on the travertine mining operation  
S/OI9/053-UTU-78691), Grand County, Utah.

Also. In answer to the blank varince request setion of the  
S M O form. The Crystal Guyser Jeep Road ends at the project site.  
As shown on map. & Which is not up to date)  
When some delopment has been done. I would like to meet with STATE,  
C OUNTY, and BLM. officals, to discuss some maintainence, and  
improvmence,

Area on project area is travertine outcrops, There is very  
little soil on the area, ( any soil will be stocpiled for reclamation )  
There is almost no vegetation in the mining area.

THERE HAS BEEN NO DISTURBANCE OF ANY KIND ON THE PROGECT AREA.

THANKS
